

# Sigma

## Style

Dark Sour Ale

## ABV

8 % Alc. Vol.

## Beer type

Flemish Sour Ale

## Taste experience

Sweet

Sour

Bitter

## Description

Sigma is a dark and strong beer, skillfully balanced between sweet and sour. Sigma is part of the “Omega – Phi – Sigma trilogy” which matures in stainless steel tanks where the Morpheus yeast imparts a refreshing sourness.

## Additional context

Sigma leans closely towards the traditional Flemish Oud Bruin, but is more robust due to its 8% abv.
