

Sun & Fun

Style

Pale Ale

ABV

4.5 % Alc. Vol.

Beer type

Grisette

Taste experience

Zoet 
Zuur 
Bitter 

Description

Light and refreshing summer beer with 20% of the ancient grain "Emmer", Grisette style

Additional context

Yearly returning summer beer, Morpheus yeast inside. In Sun & Fun we added hops as well, resulting in the lactobacteria not being able to produce lactic acid so this beer is not sour. It's brewed with only Belgian ingredients (malts from Hof Ten Dormaal, hops from the Poperinge region)
